The Original Summary of Please-! Mr. Bear!

With the dark years of his past behind him, Light "Kira" Yagami is now a white-collar worker living an ordinary life in the streets of Tokyo. For the first few years of assimilation, he did not enjoy the monochromatic days of monotony, until he met the love of his life. But, little did he know, their relationship would only leave him brokenhearted.

The heartbreak of Light Yagami
Sometimes, it doesn't go exactly according to plan. :P

Originally I was going to try another bear pun, but meh. People can't *bear* my puns > D

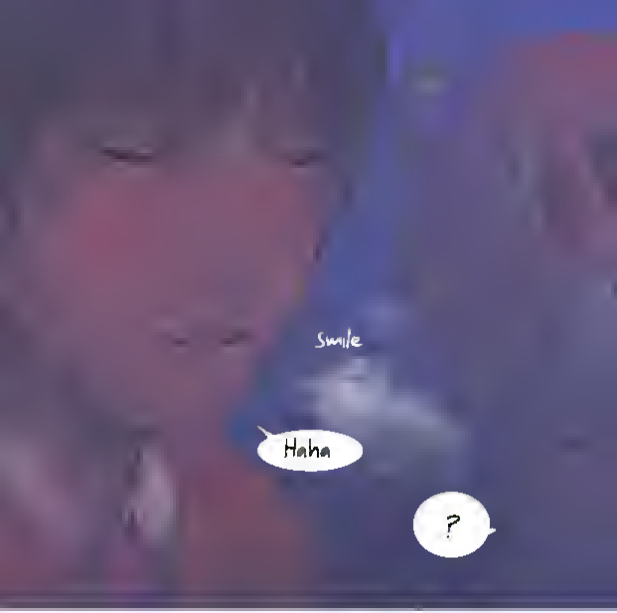
- Chapter 7 -
Love is...

...Huh?! Did I doze off?

...
Ah... It's already nine o'clock... *yawn*

SFX: Sits

SFX: Swirl



I see... It was all a dream.

Everyhing— was a dream

...

I had this girlfriend...

?

Why am I talking about this?

I don't even know who this person is...

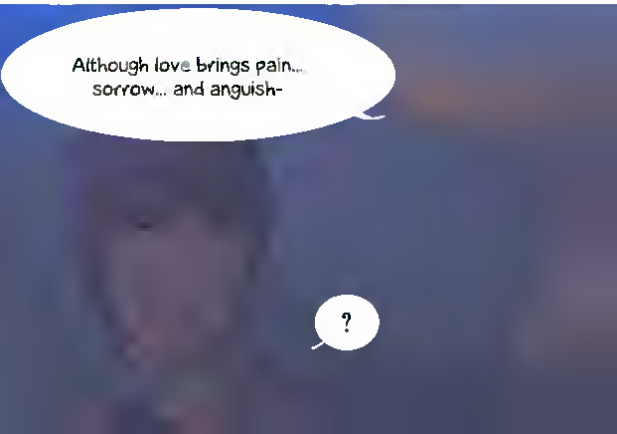
...This really is the last time. It's my last love"... that's what I believed.
I truly loved her... But a few days ago... she asked me to break up.
Where did we go wrong..? Hundreds of times we've said we love each other. Those words, were they all lies?

That's right... I must be drunk...

I'm so pathetic... I'm starting to regret it... Why did I bother if it was going to end like this...
I shouldn't have started a relationship in the first place...
.....

Why am I saying this...

Haah... I'm sorry, Mister Bear!
I just went on complaining...
.....
We've only seen each other twice..
Oh I haven't actually seen your face yet...

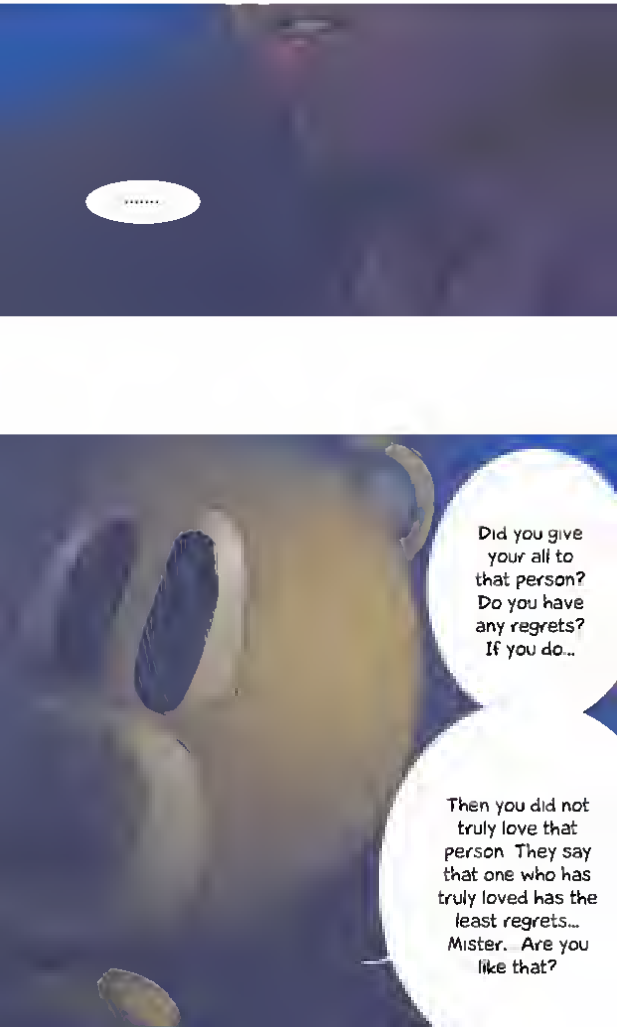


Don't we have to embrace them and move on...?
And who knows... those ordeals will eventually help you do more than your best for the next person... and the person after
.....

Then, this kind of parting...
Until when must I endure it? It's painful!
Clench
For a love that I do not know when it will arrive..?
Now... I'm... really tired of it.

When you are in love, doesn't the world seem brighter?
...
Everything is lovely and beautiful
What about now?
Are they all like drifting shadows that pass by you?

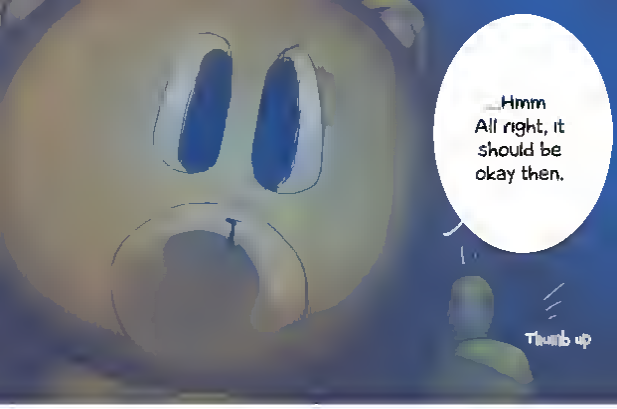
It is only natural for your heart to ache when love ends.
But it is not love that is hurting you . It is the rest of those other things that is hurting you, not love.
Please, do not come to hate love. The thing that can help you now is also love
.....

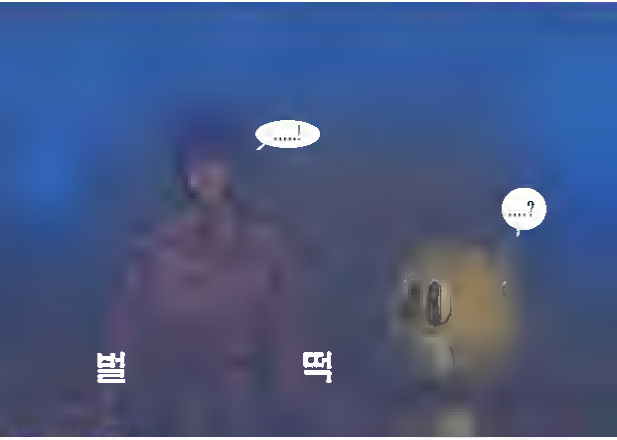


.....
Did you give your all to that person? Do you have any regrets? If you do...
Then you did not truly love that person. They say that one who has truly loved has the least regrets... Mister. Are you like that?

.....
I... I'm...
Though love hurts... It is love that causes us to change. It is love that strengthens our hearts.
It is love that makes us truly cherish ourselves.

Even now, do you still regret that love?





SFX: Stands up

Thank you, Mister Bear!!

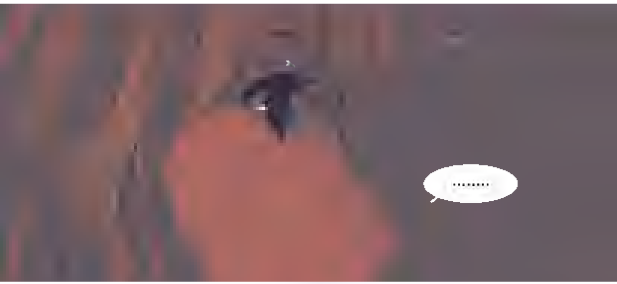
I must thank you... Even though we broke up...

Thanks to you, I learned a lot of things... How to love a person... How to look at the world more positively...
And the courage to let go.

.....

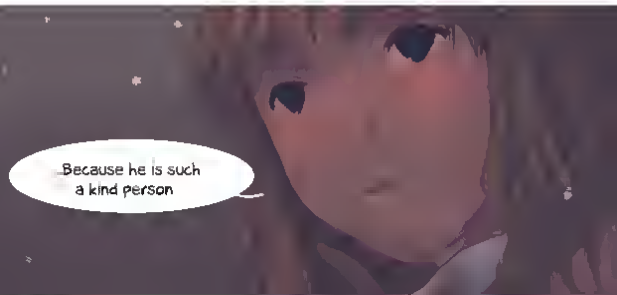
I wanted to say this to you no matter what
For real then... Goodbye.

.....



Goodbye

Why did you break up with him?
.....



Because he is such a kind person

?

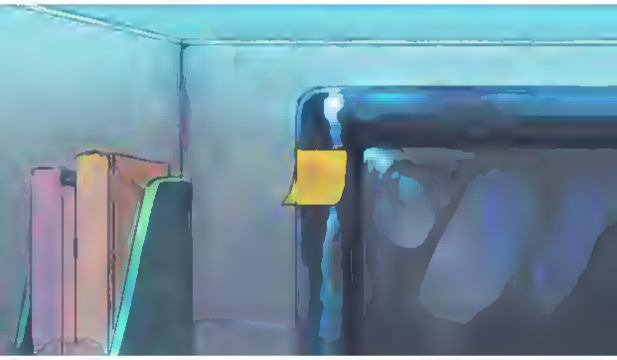
It's nothing, so let's go, big brother

Is auntie doing well?

Well, yeah, just fine.

Not a lot has changed since I broke up with her.

Although my mind became just a bit restless .. The world was the same



Like at work, and how people tease me about my breakup as if it's a big deal... Nothing has changed

However, this breakup was a great gift to me...

I realize little by little -

How precious are those around me
that I had forgotten...

That regret and sorrow are not the only
things that come after love.

Mr. Bear?
?

Ah... Hello-yong~ *hehe*
Umm... Thank you for the other day
I was a bit drunk and said a lot of things.

No, no. I also said a lot of things I shouldn't have
.....
Mm. As a token of my thanks... I would like to treat you to a drink. Would that be okay with you?

Ah... Aaah... Eh... Eh...
.....
Is he being shy?
But you would have wait a while, is that okay?

Well, I will wait
